[1]) To be completed if materials or components originating in another country have been used in the manufacture of the goods in question. Indicate the materials or components used, their CCC Nomenclature tariff heading, their country of origin and, where appropriate, the manufacturing processes qualifying the goods as originating in the country of manufacture (application of List B or of the special conditions laid down in List A), the goods produced and their CCC Nomenclature tariff heading.

Where the origin criteria involve a percentage value, give information enabling this percentage to be verified – for example the value of imported materials and components and those of undetermined origin and the ex-factory price of the exported goods, where applicable.

[2]) For example, import documents, invoices, etc., relating to the materials or components used.

### NOTES

A. **Procedure for claiming preference.** A declaration on the certificate of origin form must be prepared by the exporter of the goods and submitted in duplicate, together with a GSP application form, to the certifying authority of the country of exportation which will, if satisfied, certify the top copy of the certificate of origin and return it to the exporter for transmission to the importer in the country of destination. The certifying authority will at the same time return to the exporter for his retention the duplicate copy of the certificate of origin, but will itself retain the GSP application form duly completed and signed by the exporter.

B. **Sanctions.** Persons who furnish, or cause to be furnished, information which relates to origin or consignment, and which is untrue in a material particular are liable to legal penalties and to the suspension of facilities for their goods to obtain preference.
