The Trade Board Limited is committed to providing our traders with consistently high-quality service in support of Jamaica's economic development by contributing to an enabling ecosystem for trade growth and development, increased local and foreign investments, and sustained job creation; through the provision of relevant trade-related information, the issuance and regulation of trade licenses and certification, consistent with the Trade Act, Scrap Metal Regulation, Motor Vehicle Import Policy, other government policies and international obligations.

We are unswerving in our commitment to the continual improvement of our organization and operations to deliver **QUALITY** service for the benefit of our stakeholders, consistent with international standards.
